Where Animals Live

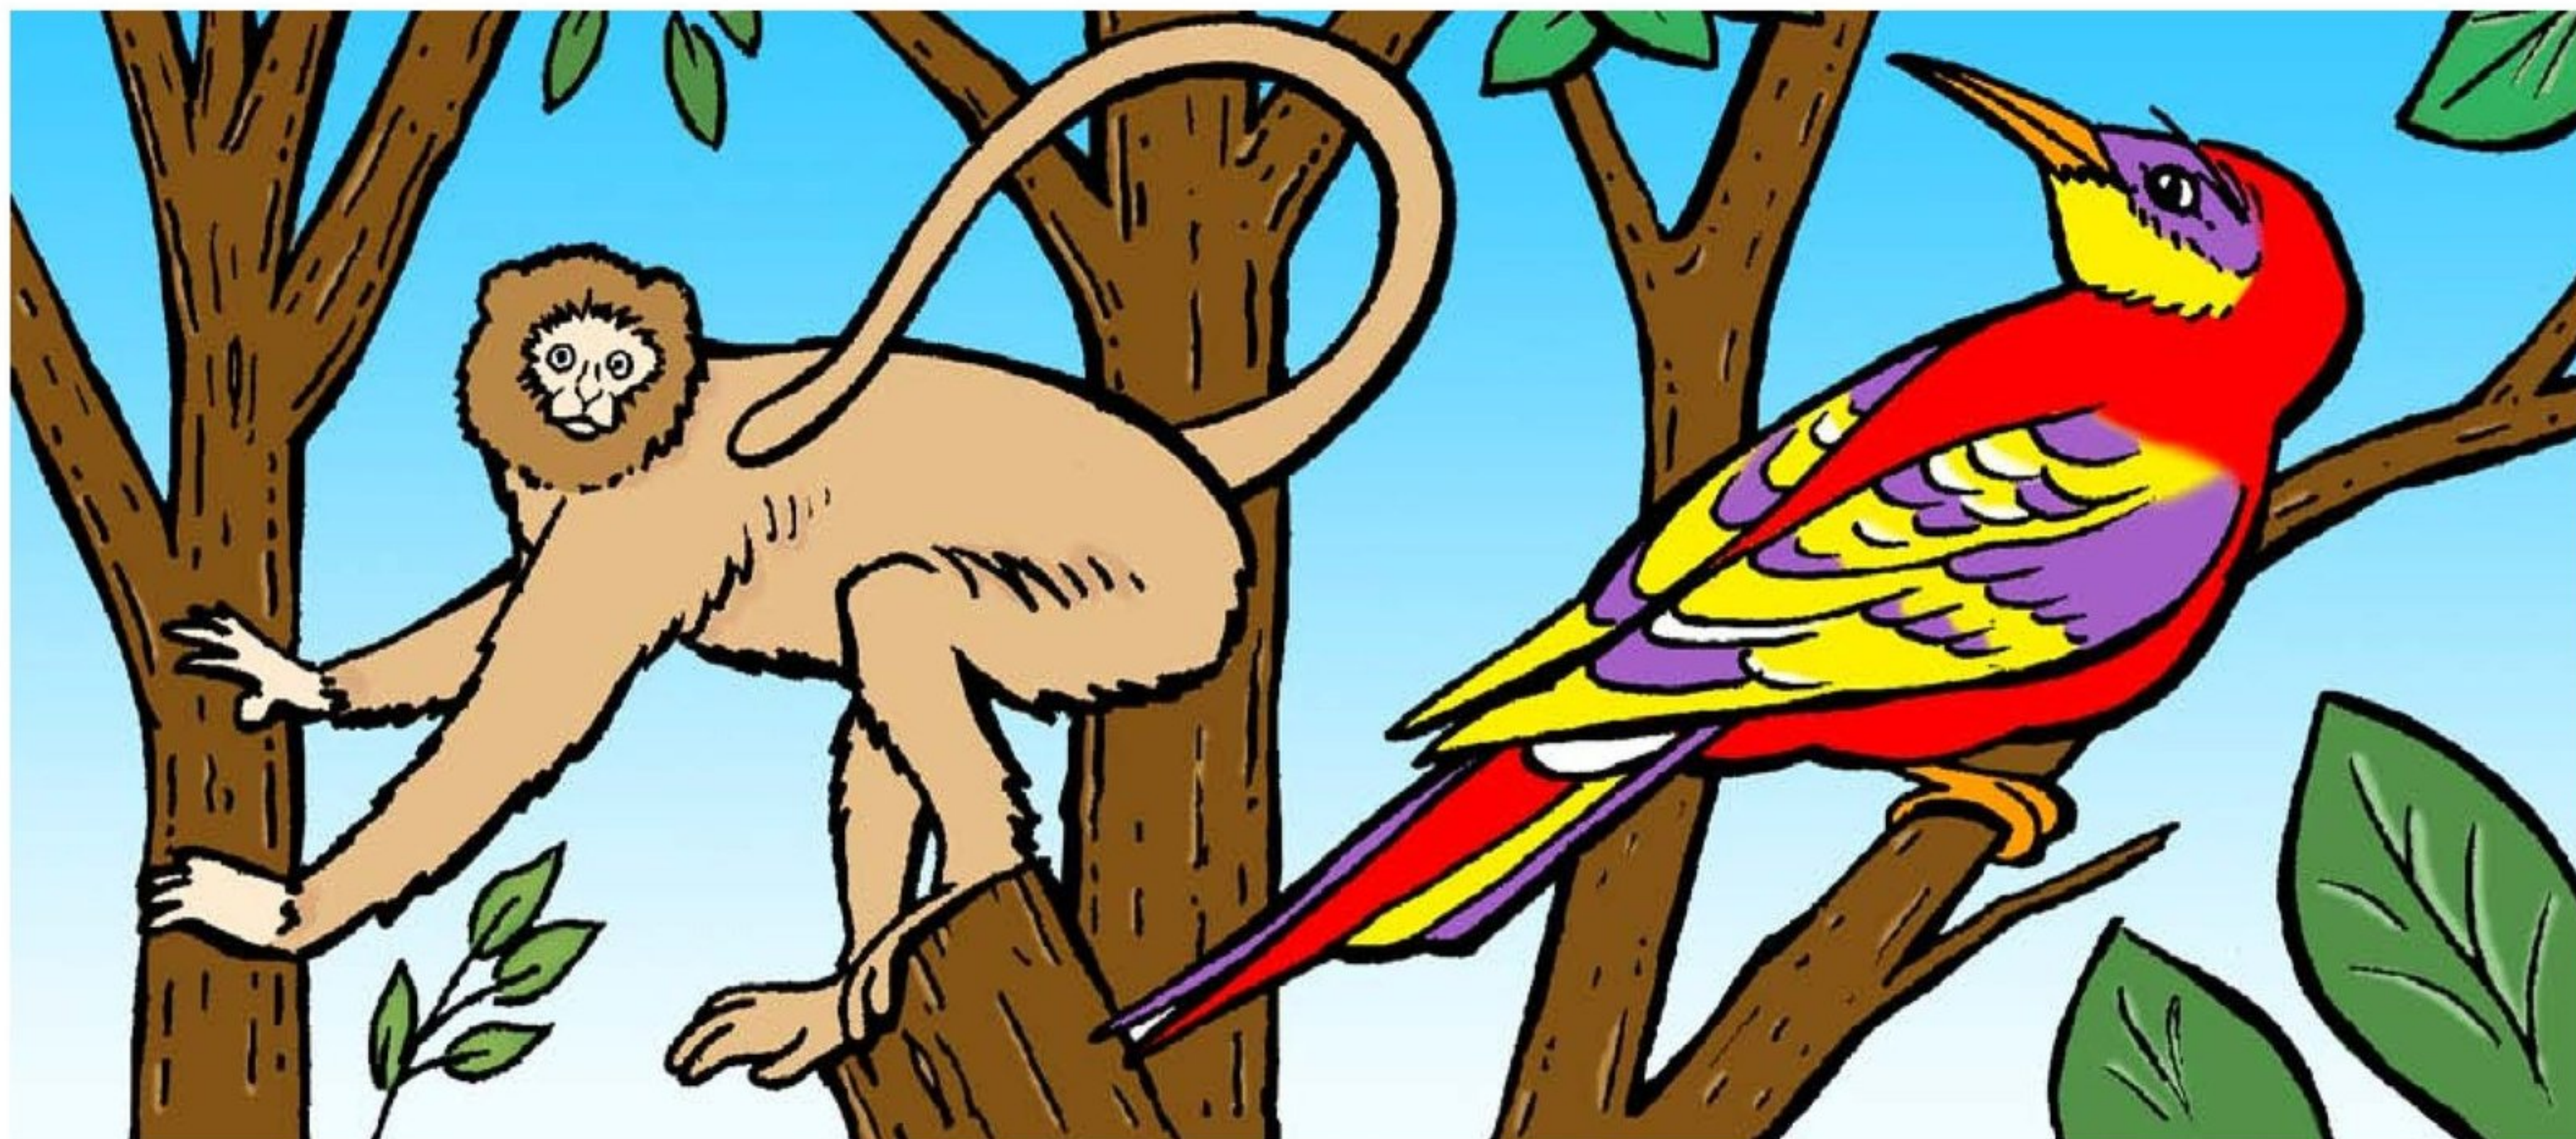

Written by Robert Charles
Illustrated by Terry Herman

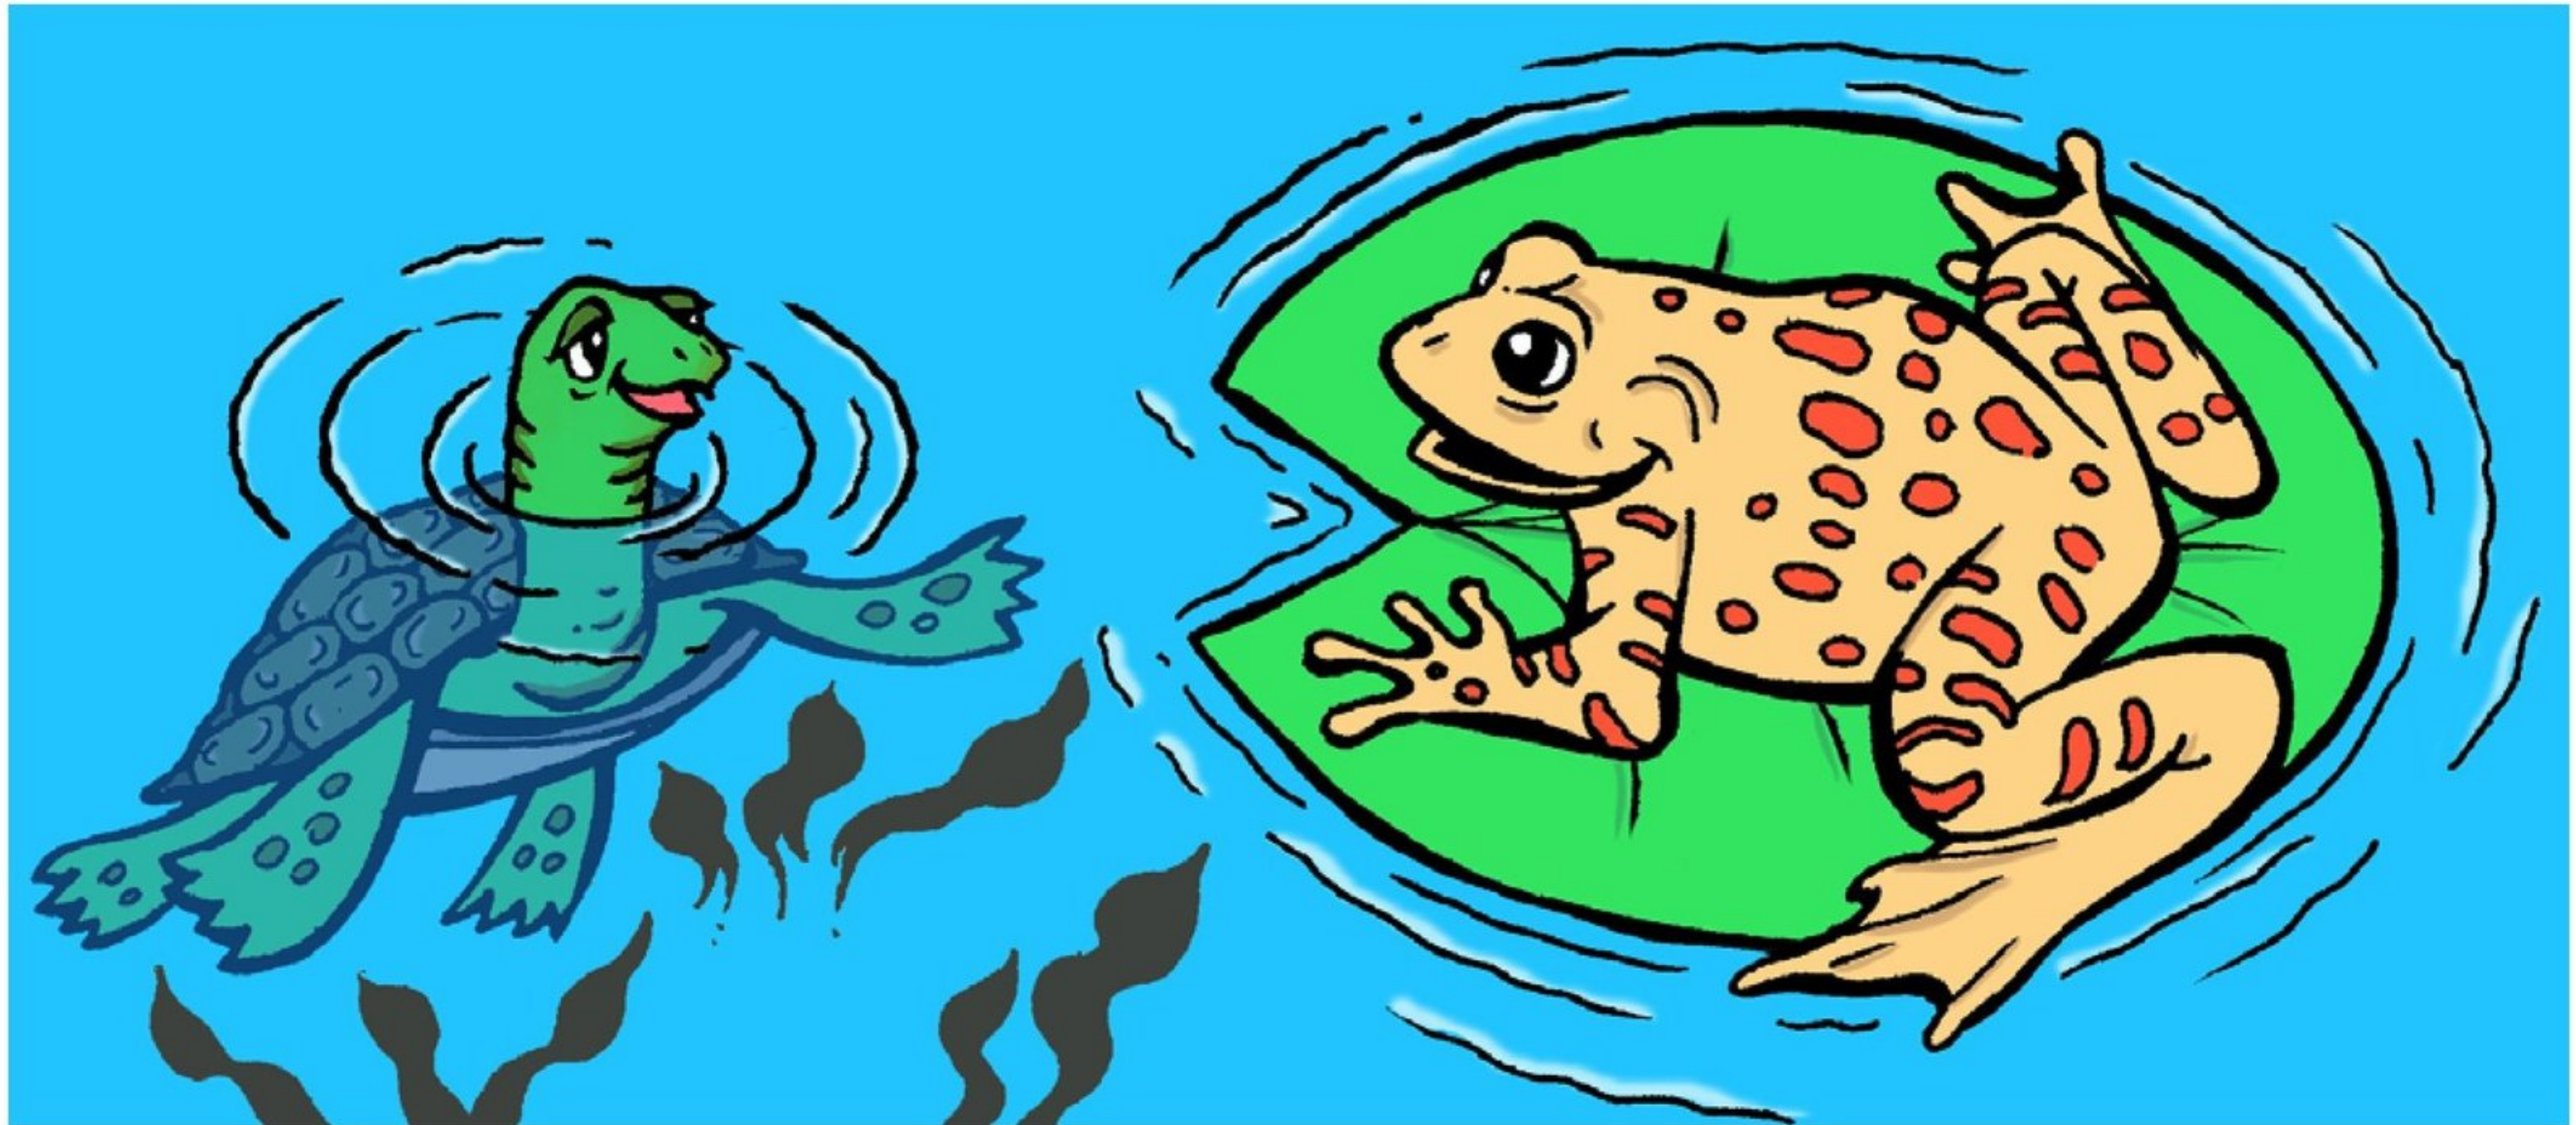

www.readinga-z.com

- 🔊 Animals live in many different places.
Some live above the ground.
Some live in the ground.
Some live on the ground.
Some live in the water.

🔊 This bird lives in the trees.
The monkey lives in the trees, too.

🔊 This frog lives in a pond.
The turtle lives in a pond, too.

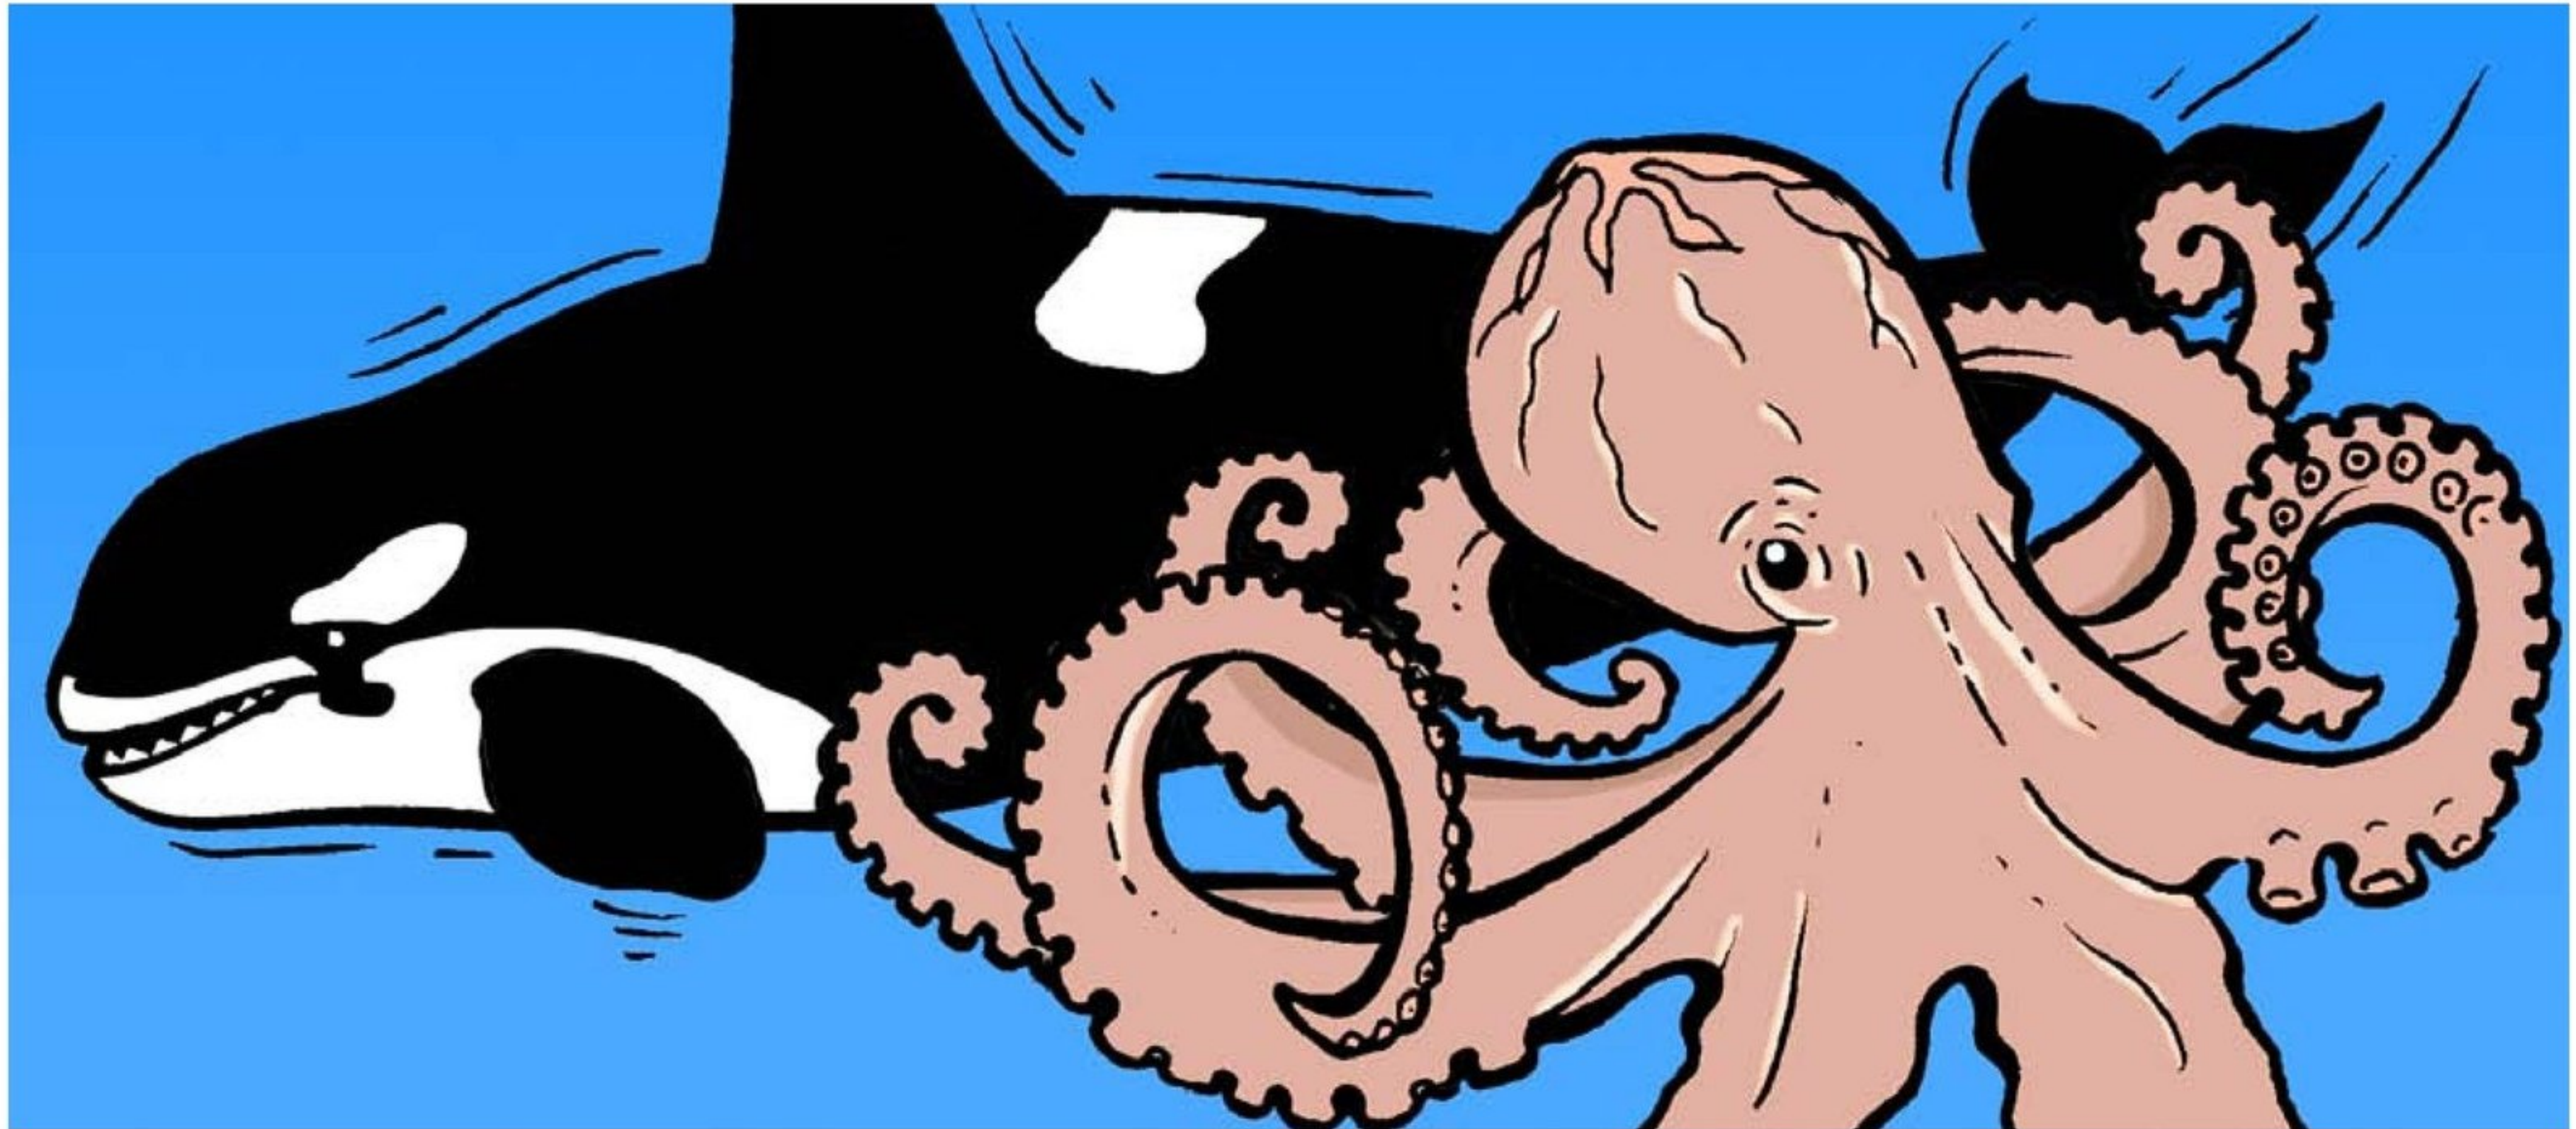

- 🔊 This prairie dog lives in a burrow.
The woodchuck lives in a burrow, too.

🔊 These bats live in a cave.
This bear lives in a cave, too.

 This deer lives in the woods.
The fox lives in the woods, too.

🔊 This octopus lives in the ocean.
The whale lives in the ocean, too.

🔊 Mandy and Michael live in a house.
People are animals, too.
